## ALL CLEAN

### Mega Concentrated Cleaner & Odor Remover

ALL-CLEAN is a safe, industrial strength, non-hazardous, environmentally responsible, concentrated product designed to replace hazardous alkaline and butyl cleaners. It is a state of the art, highly Concentrated Neutral pH Cleaner with unsurpassed cleaning ability combined with a strong odor neutralizer.

ALL-CLEAN is so versatile it has been shown to facilitate inventory reduction levels in professional cleaning environments. Because the ALL-CLEAN action mimics that of a pH 14 high alkaline cleaner, it makes an outstanding, environmentally responsible, Janitorial, Commercial and Home cleaning aid that replaces most of the hazardous cleaning products currently in use.

ALL-CLEAN makes everything from non-streaking glass cleaner, floor stripper, spot and stain removers, to many other uses. ALL-CLEAN eliminates odors as it cleans bathrooms, sinks, urinals, etc. All Clean is perfect for carpets, wax stripping and leaves floors with a shine with quick drying and no residue.

#### OUTSTANDING BENEFITS AND FEATURES
