

AMSAM-RD-AE-F (AMSAM-DSA-AS-AV/22 May 2000) 1st End  
SUBJECT: Carwell Rust Inhibitor AR 500

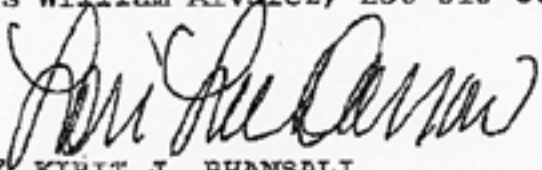

JUN 07 2001

Materials Branch

FOR AMSAM-DSA-AS-AV

1. Reference 1<sup>st</sup> Endorsement, AMSAM-RD-AE-F, 30 Mar 2000, subject as above.
2. Per reference 1, Carwell Rust Inhibitor AR 500 data was approved as compliant with MIL-C-81309, Type 2. Additional test data has been provided. These data shows that Carwell Rust Inhibitor AR 500 meets the requirements of MIL-C-81309E, Amendment 3, Type II, Class 1. Accordingly, AR 500 may be used on Army aircraft for applications which call for the use of MIL-C-81309 Type II.
3. The point of contact is William Alvarez, 256-313-6657.
